

# iClicker Loan Program

**Your iClicker, covered.**

Sponsored by Illinois Student Council and the Jeffries Center, eligible students can receive an iClicker at no cost for an entire academic year! iClicker donations are also accepted each year to support the incoming class.

To learn more about the program, visit the Jeffries Center Academic Outreach page at:

**[go.illinois.edu/iClickerInfo](http://go.illinois.edu/iClickerInfo)**

## **How it Works:**

Each year, Illinois Student Council partners with Illinois Promise & the Jeffries Center to loan out hundreds of iClicker devices to incoming first-year students **FREE** of charge. Students are able to reserve an iClicker and pick up during their Summer Orientation Experience! Remaining iClickers are then opened up on a first-come, first-serve basis to **ALL** Illinois students.

Students complete an **iClicker Loan Contract** to reserve their loan and must return the iClicker at the end of the academic year. Failure to return the iClicker results in a charge to the student's account to replace the device and keep the program running for years to come!

We also host an **iClicker Donation Drive** each semester to collect iClickers students no longer need and expand the number of students we can support each year!
